NEW

Introducing Galls® by Point Blank Body Armor!

New! Because your safety remains our number one concern, Galls® has partnered with Point Blank Body Armor to introduce a new line of cost effective, high performance ballistic body armor that meet the new NIJ 0101.06 standards.

You'll find all the features and benefits of previous Galls armor that you appreciated but now enhanced with the attributes that provide the added protection required under the new standards.

Vest & Carrier Colors	
	Navy
	Black
	White

Meets new NIJ 0101.06 armor standards

New! The ballistic panels are self supported to prevent sagging. Other features include:

- Extended coverage
- Poly-cotton carrier is designed to deliver extra comfort, additional flexibility and less weight
- Six-point removable strapping system with adjustable Velcro®
- Carrier has 5 x 8 and 8 x 10 front and rear plate pockets
- Carrier has shirt tails to help hold the vest into position
- Waterproof ballistic panel cover
- New neoprene shoulder straps provide added comfort

Complies with NIJ 0101.06 armor standards.

See galls.com for how-to-measure. For carrier: hand wash, hang to dry. Made in USA.

Colors: navy, black and white, see left.
