Lightweight Protection with Extras

NEW

Introducing Galls® by Point Blank Body Armor!

New! Because your safety remains our number one concern, Galls® has partnered with Point Blank Body Armor to introduce a new line of cost effective, high performance ballistic body armor that meet the new NIJ 0101.06 standards.

You'll find all the features and benefits of previous Galls armor that you appreciated but now enhanced with the attributes that provide the added protection required under the new standards.

Comes with **FREE** Extra Carrier and **FREE** Soft Trauma Plate

New! Two carriers plus a trauma plate - all for the price of one carrier!

Features include:

- Extended coverage
- Microfiber carrier with anti-microbial lining and a Six Point strapping systems for added comfort and adjustability
- Carrier has 5" x 8" and 8" x 10" front and rear plate pockets
- Carrier has shirt tails to help hold the vest into position
- Waterproof ballistic panel cover

Complies with NIJ 0101.06 armor standards.

See galls.com for how-to-measure. For carrier: hand wash, hang to dry. Made in USA.

Colors: navy, black and white, see left.
