NEW

Introducing Galls® by Point Blank Body Armor!

New! Because your safety remains our number one concern, Galls® has partnered with Point Blank Body Armor to introduce a new line of cost effective, high performance ballistic body armor that meet the new NIJ 0101.06 standards.

You'll find all the features and benefits of previous Galls armor that you appreciated but now enhanced with the attributes that provide the added protection required under the new standards.

New! Easy to configure and provides versatile Level IIIA protection.

- Areal Density: 1.46
- MOLLE rack front and back accommodates pouch placement in any location
- Five **FREE** pouches: double mag, 4" x 6" utility, shotgun shell, radio and single handcuff
- Heavy duty "officer rescue" strap
- Front and back compartments for armor plates
- Multipurpose, butt retention, non-skid shoulder area
- Side opening for full access; has Velcro® side straps for infinite size adjustments
- Optional Level IIIA neck, bicep and groin protectors snap into place, and are sold separately below

Cordura® nylon and Aramid. Black. For carrier, hand wash, line dry. Made in USA.

Complies with NIJ 0101.06 armor standards.
