Custom Designs

Custom Emblems

Submit your design, and we'll take care of the rest. From a sketch to finished artwork, we can customize an emblem to your specifications. We'll even send an existing emblem to you for approval. Emblems are available in several options (see below).

Embroidered

Highlights traditional emblem construction with raised detailing and a shiny finish

Inkjetted

Provides more flexibility with details and color gradation

Woven

Allows for more detailing, including smaller lettering

Combination

Combines the fine detail available with a woven emblem, but with the classic raised features of traditional embroidery

Heat-Sealed

Provides a professional appearance and a durable, permanent design without the irritation caused by backing. With the intricate detail of laser etching, the permanent adhesion also eliminates puckering for a smooth finish. Made of the same polyester thread as traditional embroidery, but at a fraction of the cost.

Set yourself apart with a unique emblem or exclusive embroidered design. When public safety professionals arrive at the scene, a customized emblem immediately identifies them as authority to civilians and to other public safety agencies. Let us help you distinguish yourself in a sea of uniforms with custom authority. Call 866.673.7645 today to find out how you can outfit your entire department.
